SAVE THE DATE: Soroptimist Nordic Days 2026 - August 21-23 in Turku, Finland

Dear Union President,

We are thrilled to invite you and all your union members to the Soroptimist Nordic Days in Turku, Finland, on August 21-23, 2026.

Get ready for an inspiring and fun-filled weekend in Finland's oldest city. The event kicks off with a Friendship evening on Friday night, followed by a conference on Saturday, and a celebratory dinner in a stunning setting on Saturday night.

Explore Turku's rich history and vibrant culture. From a medieval cathedral and castle to an underground city, modern art, and an archipelago with thousands of islands, Turku has something for everyone.

Whether you're a history enthusiast, a culture and art lover, or a foodie, Turku is a hidden gem waiting to be discovered. Stroll along the Aura River from Turku Cathedral to Turku Castle, visit the Luostarinmäki Handicrafts Museum, or explore contemporary art and archaeology at the Aboa Vetus Ars Nova Museum.

Spouses are welcome too!

Please share these dates with your union members, and we look forward to welcoming you to Finland.

Warm regards,
